✓ MRS. AUGUST BARTZ

Mrs. August Bartz passed away at her home eight miles southwest of the city, Saturday, August 14. A child was born to Mr. and Mrs. Bartz on Monday of last week, but Mrs. Bartz was getting along nicely and it was expected that she would entirely recover in a short time, but a complication of troubles set in during the week and Saturday she answered the summons. Mrs. Bartz was a woman who will be much missed. She was active in her home community and had friends which were only limited by the number of her acquaintances.

She leaves to mourn her loss eight children, three boys and five girls, all under twenty years of age, four sisters and two brothers. At the time of her passing away she was thirty-eight years of age. She had spent practically all of that time in this community coming here with her parents at an early age.

Funeral arrangements complete were for services from the house this afternoon at 2 o'clock and from Hanson church immediately following. Rev. Burmeister will officiate and interment will be in Hanson cemetery.
